GRATEFUL—COMFORTING.
EPPS' COCOA
BREAKFAST—SUPPER.
"By a thorough knowledge of the natural laws
which govern the operations of digestion and nutri-
tion, and by a careful application of the best prop-
erly selected Cocoa, Dr. Epps has provided for
our breakfast and supper a delicately flavored
beverage which may be gradually built up until
it is the judicious use of such articles of diet that a
condition may be gradually built up until it is
enough to resist every tendency to disease. Hundreds
of subtle maladies are floating around us ready to
seize upon a fatal onset by a single careless
meal. It is therefore, to be well, to eat simply and
well. Only in this way can we keep the body in
perfect health and in perfect harmony with nature."
